<b>Total:</b>			

**General:** Electrical work shall not be started until the application for permit has been filed. All installations shall be in conformance with the Electrical code. **No work shall be concealed until it has been inspected** When ready for an inspection, call the inspector providing as much advance notice as possible. The inspector will need the job location and permit number.

**EXPIRATION of PERMIT:** A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. **A permit will be canceled when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Canceled permits cannot be refunded or reinstated.**
